2014 Annual Report

San Francisco Bay Area Section
Institute of Transportation Engineers

March 30, 2015

http://www.sfbayite.org/
March 30, 2015

Mr. Amit Kothari, P.E.
ITE Technical Chair – Western District

Dear Mr. Kothari,

The San Francisco Bay Area Section of Institute of Transportation Engineers (ITE) is proud to present our 2014 Annual Report. Our section continued its excellent participation in the transportation field through lunch meetings, student outreach, technical tours, and social outings. Our membership remained steady during the year. The financial state of the section remained strong as we have sought to hold our lunch meetings in high-quality, affordable venues while attracting presenters with interesting and engaging topics.

We held nine well-attended monthly lunch meetings, with three meetings jointly sponsored by the Intelligent Transportation Society of California (ITS California), East Bay Traffic Engineers (EBTE), and South Bay Transportation Officials Association (SBTOA). We continued to actively engage our students through lunch meetings, technical tours, and paper competition. Our Section awarded more than $4,200 to the local students, including our Annual Student Paper Competition where the section awarded $1,500 for the Grand Prize Winner, $750 for the Graduate Student Paper Award, and $750 for the Undergraduate Student Paper Award. The University of California at Berkeley (Cal ITE) and San Jose State University (SJSU) student chapters had a successful year too with general meetings, leadership summits, and field trips. As another commitment to supporting students, our Section made a contribution to the ITE Western District’s Student Endowment Fund.

Our social events included an exciting tour of BART Oakland Airport Connector. We also went to a San Francisco Giants game and held a joint happy hour with Young Professionals in Transportation (YPT), Women’s Transportation Seminar (WTS), and American Planning Association (APA). Our Annual Golf Tournament raised $1,000 for our Section’s Student Scholarship Fund.

It was another successful year for our section made possible with all the hard work and dedication from our amazing members and volunteers. We look forward to a great 2015!

Sincerely,

Lin Zhang, Ph.D., P.E. PTOE.
Treasurer
ITE San Francisco Bay Area Section

2014 Elected Officers and Committee Chairs

Elections for President, Vice President, Treasurer, and Secretary were held in May/June 2014. Kimberly Leung, Paul Stanis, Lin Zhang, and Bhanu Kala were all elected to these positions, respectively. Jia Hao Wu assumed the role of the Immediate Past President. The elected officers and appointed committee chairs for the year 2014 are listed below.

Membership

Table 1 below shows a summary of the San Francisco (SF) Bay Area Section’s membership and associated annual dues. Membership for the section has remained steady – 583 members in 2013 and 572 members in 2014. In order to encourage the ITE International membership, our regular monthly meetings were discounted for members. In addition, we offered heavily discounted rates for students, unemployed, and retired members. Student membership accounted for about 12 percent in 2014.

Financial Report

Even with a small net loss of $756.83 in 2014, the financial state of the section remained very strong – we had an overall balance of $33,410.39 by the end of 2014 ($26,257.09 in the Section’s checking account and $7,153.30 in the Scholarship Fund). The biggest income sources include meetings ($12,559.16), membership dues ($5,935.00), and the golf tournament ($3,610.00), while the biggest areas of expenditures were meetings ($10,986.41), scholarships ($3,000.00), and the golf tournament ($2,655.23). Our annual financial summary for year 2014 is provided below.

Does your section have a Federal Employer Identification Number?

[ ] Yes  [X] No

If yes, what is the number? ____________________________________________________________

1 $1,000 was raised and moved to our Section’s Student Scholarship Fund.
2 Contribution to the ITE Western District’s Student Endowment Fund was made in May 2014.
Was there a change in the Section Bylaws during this reporting period? (If yes, please attach a copy of the new bylaws.)

[ ] Yes  [X] No

**Lunch Meetings**

The section held nine lunch meetings in 2014 to conduct the section’s business and provide informative technical sessions to the members and other interested SF Bay Area professionals. Brief meeting summaries are presented below, while meeting flyers and details are provided in Appendix A.

**January 16**  **ITE Annual Awards**
Presenter: Skip Sowko, Caltrans  
*Project of the Year Winner – Devil’s Slide Tunnels Project*
Location: Jillian’s, San Francisco  
Attendance: 20

**February 20**  **Bay Area Bike Share**
Presenters: Heath Maddox, San Francisco Municipal Transportation Agency (SFMTA)  
Renee Rivera, East Bay Bike Coalition  
Kansas Waugh, Alta Bicycle Share, Inc.
Location: O3 Bistro & Lounge, San Francisco  
Attendance: 34

**March 20**  **Connected and Automated Vehicles – An Update**
*Joint Meeting with ITS California*
Presenters: Donald Shupp, Western Pacific Signal
Jim Misener, Consultant  
Michael Maile, Mercedes Benz R&D  

Location: Peony Restaurant, Oakland  
Attendance: 62

April 17  
Innovative Data Collection Methodologies and  
2014 Student Paper Award  

Presenters: Emma Reed, San Jose State University  
Ted Sumers, Automatic  
Nikki Foletta, Fehr and Peers  

Location: Jillian’s, San Francisco  
Attendance: 35

May 22  
Electrification of Caltrain  

Joint Meeting with South Bay Transportation Officials Association (SBTOA)  

Presenter: Marian Lee, Executive Officer, Caltrain Modernization Program  

Location: Caltrain Auditorium, San Carlos  
Attendance: 57

June 19  
Transportation Impact of Bay Area Sports Venues  

Presenters: Sarah Syed, Valley Transportation Authority (VTA)  
Peter Albert, SFMTA  
Erin Miller, SFMTA  
Duncan Watry, Bay Area Rapid Transit (BART)  

Location: Jillian’s, San Francisco  
Attendance: 51

September 18  
Future Framework for Transportation in California  

Presenters: Carlos Ortiz, ITE Western District President  
Michelle DeRobertis, Transportation Choice for Sustainable Communities  
Rebecca Long, MTC  

Location: Jillian’s, San Francisco  
Attendance: 50

October 16  
National Association of City Transportation Officials (NACTO) In the Bay Area  

Presenters: Paul Supawanich, Nelson\Nygaard  
Beth Thomas, Caltrans District 4  
Jamie Parks, City of Oakland  

Location: Yoshi’s, Oakland  
Attendance: 47

November 20  
Express Lanes and Transportation Funding  

Joint Meeting with East Bay Traffic Engineers (EBTE)  

Presenters: Peter Lee, MTC  
Ken Kirkey, MTC  

Location: Ozumo, Oakland  
Attendance: 42
Technical and Social Activities

Our section sponsored four social activities in 2014. Our second annual joint happy hour with the American Planning Association (APA), Women’s Transportation Seminar (WTS), and Young Professionals in Transportation (YPT), and the A’s versus Giant’s Baseball Game were the highest attended events. In addition, our technical tour of the Bay Area Rapid Transit (BART) Oakland Airport Connector was a huge success. Also, our annual golf tournament attracted over 30 people and nine sponsorships, which raised nearly $1,000 to benefit the section’s Student Scholarship Fund.

Oakland Athletics versus San Francisco Giants Game

The ITE Members enjoyed a night at the O.Co Coliseum in Oakland, CA on July 8, 2014, where 40 attendees watched the A’s versus the Giants baseball game. This was our third annual baseball outing and has officially become an annual event. Compared to the previous year, the attendance increased from 25 to 40 ITE members and guests. The SF Bay Area ITE Section will be again watching the A’s versus the Giant’s baseball game at the O.Co Coliseum in September 2015. This year we plan to increase the number of tickets available to the ITE members and also open the event to the ITE student members.

Joint Happy Hour with APA, WTS, and YPT

The SF Bay Area ITE Section hosted a joint happy hour with three other transportation organizations located in the SF Bay Area. This event took place on March 13th and was attended by over 100 people! The other organizations that participated were the Young Professionals in Transportation (YPT), Women’s Transportation Seminar (WTS), and American Planning Association (APA). This event was a huge success and is being planned again in April 2015.

BART Oakland Airport Connector Technical Tour

On April 8th, the SF Bay Area ITE Section participated in a technical tour of the BART Oakland Airport Connector project in Oakland, CA. The tour included a presentation on how the state-of-the-art BART extension to the Oakland Airport would operate along with a tour of the facilities under construction.
**Annual Golf Tournament**

Thirty golfers from a variety of SF Bay Area transportation organizations teed off on Friday, July 18 for the SF Bay Area ITE Annual Golf Tournament. The 2014 tournament was held on the scenic north course at the Chuck Corica Golf Complex in Alameda, and was a fun and social gathering for those in attendance. This was the second year that the SF Bay Area ITE Section held this golf tournament, and the attendance continues to grow. With sponsorship from nine firms/companies, nearly $1,000 was raised to benefit the section’s Student Scholarship Fund. Team Kimley-Horn & Associates cleaned house on the tournament prizes. The foursome of Frederik Venter, Fareed Pittalwala, Mark Baginski, and Mike Delong posted the lowest score. Mike Delong won the longest drive competition and Fareed Pittalwala won the closest-to-the-pin contest. The golf tournament flyer is provided in Appendix B.

**Legislative Activities**

The SF Bay Area Section is in the process of revitalizing the role of the Legislative Chair. In an effort to supplement legislative summaries published on the District’s website, the SF Bay Area Section will provide members with news on local legislative and regulatory actions that affect transportation. This will include laws, ordinances and/or policies that affect the Bay Area as a whole (for example, revisions to the Metropolitan Transportation Commission (MTC) grant policies) or large jurisdictions within the SF Bay Area (such as a county’s adoption of a complete streets policy). Additionally, the section will maintain a database of regional regulatory agencies that have jurisdiction.
This information will be provided to the members on the section’s website by April/May 2015. The members will be informed of the availability of this information during a monthly lunch meeting and on a section’s newsletter.

**Student Chapter Activities**

**UC Berkeley Student Chapter (Cal ITE)**

Year 2014 was marked by ongoing efforts to grow membership and interest in the Cal ITE, which is growing and finding new activities and events to host and attend. The Cal ITE held general meetings featuring speakers from the transportation industry, organized field trips, developed ideas for a new transportation-oriented student competition, and launched a new website. The detailed Cal ITE Annual Report is provided in Appendix C.

**General Meetings**
The Cal ITE hosted six general meetings, which brought in professionals and academics to discuss a variety of transportation topics. Below is a list of the general meeting topics hosted by the Cal ITE in 2014.

- February 6: Fehr and Peers - An info session about the company, its projects, and available intern and job opportunities in transportation for students.
- March 6: San Francisco Municipal Transportation Agency (SFMTA) - WalkFirst pedestrian safety program being implemented in San Francisco.
- April 22: CA High Speed Rail Authority - Current status of California High Speed Rail Project and future challenges facing the megaproject.
- September 11: Kimley Horn and Associates - BART to Silicon Valley Extension.
- October 2: Parsons Transportation Group - East Bay Bus Rapid Transit Project.
- November 6: Transportation Sustainability Research Center - Current state of and future trends in shared-use transportation modes such as bikeshare and rideshare.

**Website**

Previously, the Cal ITE website was a WordPress blog with limited functionality and usability. Given ongoing membership goals, it was deemed necessary to start over with a new, more functional, and more easily updated website. The new website is much more comprehensive and navigable, displaying information regarding events, membership, the ITE, and resources on the transportation field in general. URL: [http://cal-ite.weebly.com/](http://cal-ite.weebly.com/)
San Jose State University Student Chapter (SJSU)

The San Jose State University Student Chapter had another successful year in 2014. The chapter hosted a number of “Lunch and Learn” seminars, attended the ITE Student Leadership Summit, held regular chapter meetings, participated in career and club fairs, and attended the SF Bay Area ITE and SBTOA meetings. The detailed SJSU Annual Report is included in Appendix D.

Lunch and Learn

SJSU hosted two “Lunch and Learn” seminars, which bring in professionals and academicians to discuss a variety of transportation topics. Below is a list of the Lunch and Learn topics hosted by SJSU in Fall 2014.

- October 22: Bus Rapid Transit (BRT) Project with Santa Clara Valley Transportation Authority (VTA) staff
- October 29: BART Silicon Valley Extension with BART staff

ITE Member Kickoff Meeting, September 18

The SJSU ITE Student Chapter held a general member meeting at the beginning of the fall semester to start off the year. The main purpose of this meeting was to formally introduce the students to the new officers of the club and welcome the new members. The meeting was also attended by three ITE professional members: Lily Lim-Tsao and Ken Salvail (San Jose Department of Transportation) and Murali Ramanujam (Santa Clara Valley Transportation Authority). These professional members explained why being involved in a professional organization, such as ITE, is a crucial step every student should do to network, gain experience, and better prepare for their
careers. The remainder of the meeting was made up of a presentation by James Fok, a current chapter member, and Alvin Lam, the past president of UC Davis ITE, both of whom attended the 2014 Joint Western-Midwestern ITE District Annual Meeting in Rapid City, SD. These two speakers shared their experiences at the meeting and encouraged students to attend similar future events.

Santa Clara University Student Activities

The Santa Clara Valley Transportation Authority (VTA) provided SR-237 Express Lanes tour to Santa Clara University students on November 20, 2014, from 10:30 a.m. to 12:30 p.m. Over 15 students along with Professor Rachel He attended the tour. The Express Lanes Tour was comprised of an overview of the current SR-237 Express Lanes and how the system works. Presentation included briefing of the future projects under Silicon Valley Express Lanes Program. In addition, students had the opportunity to tour the SR-237 Express Lanes Traffic Operations Center, understand how the Express Lanes operate and how the dynamic pricing varies with speed. Students watched live traffic through various CCTV cameras and the dashboard that showed the Express Lanes toll price and speed.

Annual Recognition Awards

The Annual Recognition Awards Program was initiated in 2006 to recognize excellence in transportation in the following four categories:

- Transportation Professional of the Year
- Transportation Project of the Year
- Lifetime Achievement Award
- Student Paper Award

Transportation professionals and projects from the 15-county greater San Francisco Bay Area are eligible to participate in this program. Paul Stanis, Section’s Vice President, oversees the Student Paper Award. Amit Kothari, section’s Annual Recognition Awards Chair, oversees the remaining three categories of this program. The first three awards are plaques and the Student Paper Award is a certificate and a scholarship from our Student Scholarship Fund account.

2014 Transportation Professional of the Year

The purpose of this award is to recognize an ITE member who has contributed significantly to the transportation field over the last several years. During the review of nominations and ranking process, the Review Panel considers the nominee’s expertise in the transportation field, involvement with ITE activities, contributions to transportation profession, and training/mentoring students and young professionals.

This year, three outstanding professionals were nominated for this award – Laura Wells (City of San Jose), Tom Krakow (DKS Associates) and Michelle DeRobertis (Transportation Choices for
Sustainable Communities). Ms. DeRobertis was the recipient of the award for 2014. She was recognized for her remarkable contributions towards promoting multimodal transportation including bicycle and pedestrian facilities.

2014 Transportation Project of the Year

The purpose of this award is to recognize innovation and/or creative-thinking in the field of transportation. While reviewing the nominations in this category, the Review Panel looks for a project that may have implemented ground-breaking ideas, developed new services/processes or implemented innovative design or planning. The panel ranks the projects based on innovation, unusual circumstances, unique challenges, cost effectiveness and public acceptance.

This year’s award recipient was Cesar Chavez Streetscape Project in San Francisco, a one-mile long road diet and a complete streets project. The project transformed a six-lane arterial with over 53,000 ADT and over 150 crashes in a five-year span into a calm, pedestrian and bike friendly neighborhood street that connected two neighborhoods previously separated by the street. The project added pedestrian and transit bulbs, bike lanes, landscaped medians and pedestrian refuge islands. The greening initiatives included LED streetlights and over 300 new trees. This project faced unique challenges in terms of design features, funding, community support and multi-agency coordination.

Mike Sallaberry, Senior Engineer with SFMTA accepted the award and presented this project at the January 2015 Section Meeting. Other projects nominated for the award included Highway 12 Jameson Canyon Road Widening, Levi’s Stadium Transportation Management Operations Plan, Ralston Avenue Complete Streets Plan and San Francisco Airport (SFO) Support Services for Runway Safety Area Program.
Lifetime Achievement Award

The Section initiated a new Lifetime Achievement Award to recognize a member who has significantly contributed to the transportation profession during a minimum of 30-year span. The award guidelines were developed based on similar programs at the Western District level and several other sections within the District.

The first recipient of this award is Chris Kinzel, Vice President at TJKM Consultants. Chris, an ITE member since 1962, with over five decades of invaluable contributions to the transportation profession is highly respected throughout the SF Bay Area and beyond. He was admired for his countless professional achievements in both public and private sectors; active participation in the ITE activities at the Section, District and national levels; research contributions in the transportation and parking fields; extensive training and mentoring of young professionals and remarkable engagement with local community and volunteer services.

Chris accepted the award at the January 2015 luncheon in presence of his wife Jan, daughter Gretchen and dozens of Section members.
2014 Student Paper Award

For this year’s student paper competition, students at San Jose State University (SJSU) and University of California at Berkeley (UCB) were able to choose one of three topics to explore and submit a paper. These topics were Data Applications for Decision-Makers, Bay Area Bike Share, and Infill Development. The student paper competition flyer is attached in Appendix E. This year’s Grand Prize Winner was Emma Reed from San Jose State University. She was awarded a $1,500 prize and presented her findings at the April lunch meeting. Mark Young from San Jose State University won the Graduate Student Paper Award and Mohit Bhasin from San Jose State University won the Undergraduate Student Paper Award. Each was awarded a $750 prize. Congrats to all of our winners!

Other Section Activities

2014 Western District Annual Meeting

The 2014 Joint ITE Western and Midwestern District Annual Meeting was held in Rapid City, South Dakota from June 29 through July 2, 2014. This was a unique meeting in that 24 states were represented this year. This meeting was attended by incoming SF Bay ITE President Kimberly Leung. Kimberly had the opportunity to attend the Leadership Breakfast to meet officers from other sections and student chapters. She also participated in the Student Career Development focused on resumes and interviews where she acted in mock interview skits with other transportation professionals to facilitate discussions with the students about the do’s and don’ts of interview etiquette. The Family Night event at this Annual Meeting brought attendees to Mount Rushmore National Memorial for the evening lighting ceremony. One student, James Fok from San Jose State University, also attended the 2014 Annual Meeting.
Sponsorship Program

The sponsorship program was introduced by the SF Bay Area ITE Section during the 2009-2010 fiscal year. The objective of this program is to attract companies in the transportation field who would be interested in financially supporting the SF Bay Area ITE Section via sponsorship of monthly lunch meetings. In return, sponsors are allowed to present a short talk about their firm and/or provide marketing materials to attendees. The sponsorship program also includes the annual modeling workshop organized by the Section. The money raised through the sponsorship program is used to pay a part of the out-of-pocket costs collected from the monthly meeting and annual workshop attendees. This reduces the attendee’s cost-of-attendance as well as the Section’s cost to organize these events (overhead and rental space), which in turn encourages continued attendance from the members, non-member guests, and students.

The SF Bay Area ITE Section allows a maximum of two sponsors per monthly lunch meeting and six sponsors for the annual workshop (two each of the Gold, Silver, and Bronze Sponsors). The Gold and Silver sponsorship fees are $350 and $250 for the monthly lunch meetings, and $500, $350, and $250 for the annual workshop. In return, benefits provided to the sponsor include the following:

Gold Sponsor
- Sponsor can talk/present during the ITE meeting/workshop. The talk/presentation time is not to exceed five minutes.
- Sponsor can bring his own pamphlets and distribute them during the meeting.
- Sponsor’s logo and web address will be included in the meeting announcement that will be circulated to the SF Bay Area ITE members and posted in the San Francisco Bay Area ITE website (www.sfbayite.org).
- RSVP fee will be waived and lunch will be provided for one representative of the sponsor.

Silver Sponsor
- Sponsor can bring his own pamphlets and distribute them during the meeting.
- Sponsor’s logo and web address will be included in the meeting announcement that will be circulated to the SF Bay Area ITE members and posted in the San Francisco Bay Area ITE website (www.sfbayite.org).
- RSVP fee will be waived and lunch will be provided for one representative of the sponsor.

Bronze Sponsor (annual workshop only)
- Sponsor’s logo and web address will be included in the meeting announcement that will be circulated to the SF Bay Area ITE members and posted in the San Francisco Bay Area ITE website (www.sfbayite.org).

As part of this program, the SF Bay Area ITE Section has collected sponsorship fees from the following sponsors during the 2014-2015 fiscal year:
- Sensys Networks
- Wiltec
- Telegra-Inc.
E-Newsletter

The SF Bay Area ITE publishes weekly e-newsletters to keep section members informed on activities and issues of interest to the local transportation professionals. Typical e-newsletter elements include monthly lunch meetings, training opportunities, awards programs, student activities, and job announcements. A sample e-newsletter is provided below.

October 2014 ITE SF Bay Area Section Announcements

- October 16: ITE SF Bay Area Lunch Meeting
- 2014 ITE SF Bay Area Annual Recognition Awards - Nominations due October 27, 2014

For the most up-to-date information and announcements, visit www.sfite.org.

October 16: ITE SF Bay Area Lunch Meeting

San Francisco Bay Area Section
October 2014 Lunch Meeting

NACTO IN THE BAY AREA

Join the ITE SF Bay Area Section for October’s lunch meeting focused on how the NACTO Urban Design Guide and Urban Street Design Guide were developed and their implementation across the Bay Area to design safer bicycle and pedestrian infrastructure.

Guest Speakers
- Paul Sappach, Nelson\Muyeard
- Beth Thomas, Caltrans District 4
- Iancu Pardis, City of Oakland

RSVP Details
- Register and prepay online at the meeting registration webpage provided below. Walk-ins will be charged $10 extra.
- RSVP / Cancellation Deadline October 14 (Monday) at noon. Seating capacity is limited to 40

For more details, check the meeting registration webpage.

For cancellations, email to cancelsf2014@sfite.org.

For questions, contact Bhanu Kala at 415-653-3313 or kalab@cdm.com.

2014 ITE SF Bay Area Annual Recognition Awards

San Francisco Bay Area Section
2014 Annual Recognition Awards

Once again, it’s time to celebrate successful projects from the past year and to recognize someone who is an outstanding transportation professional. The Section is accepting nominations for the Annual Recognition Awards. This year it’s time to nominate an outstanding ITE member who has contributed greatly to the regional transportation or someone who played a significant role on a high-profile transportation project, served as a mentor to students and/or professionally contributed greatly to the ITE SF Bay Area activities. Here’s your chance to show your appreciation by nominating him/her for the ITE SF Bay Area Professional of the Year Award.

Are you aware of an outstanding transportation project in our region? You may nominate that project for the Project of the Year Award.

Nomination Procedure
- Send an email to Amit Kothari (SF Bay ITE Annual Recognition Awards Chair).
- Include “2014 Nominations” in the subject line.
- Mention the name and contact information of the person or the project you are nominating.

Selected winners will be recognized with a commemorative plaque at the SF Bay Area Section ITE meeting in January 2015 and will be featured on the Section’s website.

Nomination Deadline – Monday, October 20, 2014 at 5 PM

For more details, check the 2014 awards program webpage.

For nominations and questions, contact Amit Kothari at 415-701-4462 or amit.kothari@sfite.org.

2014 SF Bay Area Section Annual Report 15
Section Website

After switching to a new website platform, the visuals and contents for events are more presentable and easily populated. The menu bar on the website is organized in a way that is more efficient for users and allows visitors to find the information they need regarding events, meetings, and other related ITE information. We have also organized the events by color coding them. A major effort was made to add plugin features in the web server to minimize spam. Comments for the website are completely disabled. As we maintain the website and continue to add more relevant resources, we are hoping to revamp the appearance of the website while maintaining the same website platform.

Affiliate Activities

South Bay Transportation Officials Association (SBTOA)

SBTOA had a very successful 2014 with 10 lunch meetings and annual awards presented. A summary of the lunch meetings are listed below. The SBTOA Annual Report is included in Appendix F.

1 http://www.sfbayite.org/
January 14  Silicon Valley Express Lanes Update  
Presenters: Murali Ramanujam, Santa Clara Valley Transportation Authority (VTA)  
Location: Bella Mia Restaurant, San Jose  
Attendance: 60

February 11  Do You Know the Way to Monterey?  
Presenters: Debbie Hale, Executive Director for the Transportation Agency for Monterey County  
Location: Bella Mia Restaurant, San Jose  
Attendance: 45

March 11  What’s Happening  
Presenters: John Ristow, Chief Congestion Management Agency Officer, VTA  
Location: Bella Mia Restaurant, San Jose  
Attendance: 46

April 8  Google's Self-Driving Car: What We've Done and What We Need  
Presenters: Andrew Chatham, Principal Software Engineer, Google  
Location: Bella Mia Restaurant, San Jose  
Attendance: 57

May 22  Caltrain Modernization  
*Joint Meeting with SF Bay ITE*  
Presenters: Marian Lee, Executive Officer, Caltrain Modernization Program  
Location: Caltrain, San Carlos  
Attendance: 57

June 10  Urbanization and Mobility in China  
Presenters: Chwen Siripocanont, PE, PTOE, Independent Consultant  
Location: Bella Mia Restaurant, San Jose  
Attendance: 45

September 18  SBTOA-APWA-ASCE Annual Joint Picnic
October 14  Levi’s Stadium-Challenges and Triumphs
Presenters:  Rajeev Batra, Director of Public Works, and Dennis Ng, City Traffic Engineer, City of Santa Clara
Location:  Bella Mia Restaurant, San Jose  Attendance: 50

November 18  VTA’s 2014 Transportation Impact Analysis (TIA) Guidelines
Presenters:  Robert Cunningham, Transportation Planner, VTA
Location:  Flames Eatery, San Jose  Attendance: 32

December 9  Informal Conversation with Mercury News Columnist ‘Mr. Roadshow’
Presenters:  Gary Richards, “Mr. Roadshow” columnist, San Jose Mercury News
Location:  Old Spaghetti Factory, San Jose  Attendance: 21

ITE Annual Awards

Thursday, January 16, 2014

Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) for our Annual Recognition Awards ceremony, honoring the 2013 Project of the Year. This program will feature a presentation by the winner of the 2013 Transportation Project of the Year, the Devil’s Slide Tunnels Project.

PRESENTERS
- Skip Sowko, Caltrans. District Division Chief, Design South.

SCHEDULE
11:30 AM  Check-in and social time
12:00 PM  Introductions & announcements
12:30 PM  Presentations with Q&A
1:30 PM   Conclusion of meeting

MEETING LOCATION
Jillian’s
175 4th Street
San Francisco, CA 94103
Phone: 415.369.6101
http://www.jillianssf.com/

Public Transit: Go to www.511.org for help with trip planning. The nearest BART station is Powell BART station, just 5 minutes away from the restaurant.

Parking: The Fifth & Mission/ Yerba Buena Parking Garage is located one block away from the restaurant.

SCHEDULE

MENU
Each entree is served with Caesar salad with garlic croutons, fresh baked bread and butter, and soda or iced tea. Coffee and tea are available after the meal.

Entrees to choose from:
- (C) Oven roasted herb seasoned chicken with fries
- (F) Grilled fish tacos with pineapple-mango salsa, rice, and beans
- (V) Fettucini Alfredo

LUNCH PRICES
$30  ITE Members
$40  Non-Members
$20  ITE Student/Unemployed Members

HOW TO SIGN UP
To RSVP, please register and prepay at this link: http://events.constantcontact.com/register/event?llr=5pu4rpfab&oeidk=a07e8q9ftym8d32a433. If you have questions, call or e-mail Lin Zhang at 510.817.5616 or lzhang@mtc.ca.gov.

Walk-ins will be charged $5 extra.

RSVP/CANCELLATION DEADLINE
The RSVP and cancellation deadline is Monday, January 13 at noon. Those who RSVP by Friday, January 10 will be entered into a drawing for a $25 prepaid credit card. Cancellations can be e-mailed to cancel@sfbayite.org.

Seating capacity is limited to 60.

Meeting information is also available online at http://www.SFBayITE.org/
Bay Area Bike Share  
Thursday, February 20, 2014

Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) for a program focused on bike share, which will include presentations about Bay Area Bike Share in San Francisco, its expansion to the East Bay, and comparisons to other bike share systems in the country.

PRESENTERS
- **Heath Maddox**, San Francisco Municipal Transportation Agency. Bike Share Service Area and Station Location Planning in San Francisco.
- **Renee Rivera**, East Bay Bike Coalition. Bringing Bike Share to the East Bay.

SCHEDULE
- 11:30 AM  Check-in and social time
- 12:00 PM  Introductions & announcements
- 12:15 PM  Presentations with Q&A
- 1:30 PM   Conclusion of meeting

MEETING LOCATION
**O3 Bistro & Lounge**  
524 Van Ness Avenue  
San Francisco, CA 94102  
Phone: 415.934.9800  
http://o3restaurant.com/

**Public Transit**: Go to www.511.org for help with trip planning. The nearest BART station is Civic Center BART station, just 10 minutes away from the restaurant.

**Parking**: The Civic Center Parking Garage is located one block away from the restaurant.

MENU
Each entree is served with papaya salad and choice of soda, Thai iced tea, or Thai iced coffee. Dessert will be fried banana with honey.

Entrees to choose from:
- (C) Red Curry with Chicken
- (P) Pad Thai with Pork
- (T) Pad See You with Tofu (vegetarian)
- (R) Pineapple Fried Rice (vegetarian)

LUNCH PRICES
- $30  ITE Members
- $40  Non-Members
- $20  ITE Student/Unemployed Members

HOW TO SIGN UP
To RSVP, please register and prepay at this link: http://events.constantcontact.com/register/event?llr=5pu4rpfab&oeidk=a07e8vc514h078864ce. If you have questions, call or e-mail Lin Zhang at 510.817.5616 or lzhang@mtc.ca.gov.

Walk-ins will be charged $5 extra.

RSVP/CANCELLATION DEADLINE
The RSVP and cancellation deadline is Monday, February 17 at noon. Those who RSVP by Friday, January 14 will be entered into a drawing for a $25 gift card. Cancellations can be e-mailed to cancel@sfbayite.org.

Seating capacity is limited to 60.

Connected and Automated Vehicles – An Update  
**Thursday, March 20, 2014**

Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) and the NorCal Section of the Intelligent Transportation Society of California (ITS-CA) for a joint program focused on connected and automated vehicles.

**PRESENTERS**  
- **Donald Shupp.** Western Pacific Signal. Infrastructure Treatments and Preparation to Ready Arterials for Connected Vehicles.  
- **Jim Misener**, Consultant. Automation is in the Eye of the Beholder: How It Might Be Viewed by the Traffic Engineer  
- **Michael Maile**, Mercedes Benz R&D. V2V and V2I Based Safety Applications.

**SCHEDULE**  
- 11:30 AM Check-in and social time  
- 12:00 PM Introductions & announcements  
- 12:15 PM Presentations with Q&A  
- 1:30 PM Conclusion of meeting

**MEETING LOCATION**  
**Peony Seafood Restaurant**  
388 9th Street, Suite 288  
(between Franklin and Webster Streets)  
Oakland, CA 94607  
Phone: 510.286.8866

**Public Transit:** Go to www.511.org for help with trip planning. The nearest BART station is 12th Street Oakland City Center BART station, just 6 minutes away from the restaurant.  
**Parking:** The Pacific Renaissance Plaza Parking Garage is located on the same block as the restaurant with a parking rate of $2 per hour.

**MENU**  
Entrees to choose from:  
- (R) Regular  
- (V) Vegetarian

**LUNCH PRICES**  
- $30 ITE / ITS-CA Members  
- $40 Non-Members  
- $20 ITE / ITS-CA Student/Unemployed Members

**HOW TO SIGN UP**  
To RSVP, please register and prepay at this link: [http://events.constantcontact.com/register/event?llr=5pu4rpfab&oeidk=a07e8zvu9h576187964](http://events.constantcontact.com/register/event?llr=5pu4rpfab&oeidk=a07e8zvu9h576187964). If you have questions, call or e-mail Lin Zhang at 510.817.5616 or [lzhang@mtc.ca.gov](mailto:lzhang@mtc.ca.gov).  
**Walk-ins will be charged $5 extra.**

**RSVP/CANCELLATION DEADLINE**  
The RSVP and cancellation deadline is **Monday, March 17 at noon.** Those who RSVP by Friday, March 14 will be entered into a drawing for a $25 gift card. Cancellations can be e-mailed to [cancel@sfbayite.org](mailto:cancel@sfbayite.org).

Innovative Data Collection Methodologies and 2014 Student Paper Award
Thursday, April 17, 2014

Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) for a program focused on innovative data collection methodologies, including presentations about data’s influence on an individual’s behavior and on the overall network. There will also be a special presentation from the Grand Prize recipient of the SF Bay ITE Student Paper Award.

PRESENTERS
• Emma Reed, San Jose State University. Student Paper Competition Grand Prize Recipient. Infill Development: Transforming a Decaying Site in the Middle of a Rural Town—A Case Study of Portola Valley, California.
• Ted Sumers, Automatic. Assessing Driving Patterns to Influence Driver Behavior.

SCHEDULE
11:30 AM Check-in and social time
12:00 PM Introductions & announcements
12:15 PM Presentations with Q&A
1:30 PM Conclusion of meeting

MEETING LOCATION
Jillian’s
175 4th Street
San Francisco, CA 94103
Phone: 415.369.6101
http://www.jillianssf.com/

Public Transit: Go to www.511.org for help with trip planning. The nearest BART station is Powell BART station, just 5 minutes away from the restaurant.

Parking: The Fifth & Mission/ Yerba Buena Parking Garage is located one block away from the restaurant.

Electrification of Caltrain
Thursday, May 22, 2014
Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) and the South Bay Transportation Officials Association (SBTOA) for a joint program focused on the electrification of Caltrain.

PRESENTER
- Marian Lee. Executive Officer, Caltrain Modernization Program.

SCHEDULE
11:30 AM Check-in and social time
11:45 AM Introductions & announcements
12:00 PM Presentations with Q&A
1:00 PM Conclusion of meeting

MEETING LOCATION
Caltrain Auditorium
1250 San Carlos Avenue, 2nd Floor
San Carlos, CA 94070
Public Transit: Go to www.511.org for help with trip planning. The nearest Caltrain station is San Carlos station, just 5 minutes away from the Caltrain auditorium.
Parking: Caltrain has a parking garage behind its office. Enter the parking garage from Laurel Street.

MENU
Box lunches to select from:
- California Fresh (Dutch Crunch Roll, turkey breast, avocado, jack cheese, lettuce, tomato, mayo, dijon)
- Italiano (Ciabatta, mortadella, salami, provolone, baby greens, tomato, vinaigrette)
- Roasted Portabella (Ciabatta, portobella mushroom, jack cheese, roasted red peppers, spinach, vinaigrette)
- Chicken Classic Caesar Salad (Romaine lettuce with seasoned chicken, sourdough croutons, parmesan cheese, and classic Caesar dressing)
- Primavera Salad (Spring mix with walnuts, dried cranberries, gorgonzola cheese, and balsamic vinaigrette dressing)

All box lunches include fruit, premium chips, and a fresh baked cookie.

Beverages to select from include Coke, Sprite, Diet Coke, or Water.

Meeting information is also available online at http://www.SFBayITE.org/
Transportation Impact of Bay Area Sports Venues
Thursday, June 19, 2014

Join the SF Bay Area Section of the Institute of Transportation Engineers (ITE) for a program focused on the transportation impact of various Bay Area sport venues, including AT&T Park, Levi’s Stadium, and the proposed Warriors Arena. Election results for the 2014-2015 SF Bay ITE Executive Board will also be announced.

PRESENTERS
- Sarah Syed, VTA. VTA’s Transit Plan for Levi’s Stadium.
- Peter Albert, SFMTA; Erin Miller, SFMTA; and Duncan Watry, Bart. Transit Planning for Large Event Venues.

SCHEDULE
11:30 AM  Check-in and social time
12:00 PM  Introductions & announcements
12:15 PM  Presentations with Q&A
1:30 PM  Conclusion of meeting

Chapter Summary

After several strong years of membership growth and activity, the past year has been somewhat of a slump. While membership has remained fairly stable, the number of active members has decreased noticeably. A major challenge is the fact that Transportation Engineering at UC Berkeley is largely a graduate level program whose students have a separate graduate level transportation club. That being said, there is a significant number of undergraduate students interested in transportation. In response, Cal ITE has focused on membership recruitment the past year through initiatives such as tabling at engineering events, launching a new website, and waiving all membership fees. The Chapter is currently being reorganized and refocused to better reflect its constitution, its status as an ITE chapter, and its mission of promoting the field of transportation at UC Berkeley. This includes the previously mentioned membership initiatives, officer recruitment, and greater involvement with ITE as a whole such as increased communication with the local ITE Section (SF Bay ITE) and attendance at the Western ITE Student Leadership Summit. The latter was especially useful for the completely new current group of officers to interact with other student and professional ITE members. That experience is serving as a primary motivator to grow Cal ITE. This year, Cal ITE went back to its foundation and looks forward to building on it next year.

Student Chapter Activities

1) General Meetings

3rd Spring General Meeting (April 2014)

For the last general meeting of the academic year, Cal ITE welcomed Scott Jarvis and Orville Thomas, the Chief Engineer and Public Information Officer of the California High Speed Rail Authority. They talked about challenges facing the California High Speed Rail project as well as the general timeline for pre-construction, construction, and completion. Additionally, they shared some design considerations that have gone into the megaproject.

1st Fall General Meeting (Sept. 2014)

Cal ITE invited Adam Dankberg, a transportation engineer at Kimley-Horn, to speak at the first general meeting of the semester. Kimley-Horn is one of the country's premier design consulting firms, and provides a wide range of consulting services to public and private clients which include transit planning, transportation engineering, aviation, intelligent transportation, and much more. Adam has been working at Kimley-Horn for the past nine years, and spoke about the company and his work on the BART to Silicon Valley Extension.

2nd Fall General Meeting (Oct. 2014)
Rodney Pimentel, the East Bay Manager for Parsons Corporation, attended the second general meeting of the fall semester to speak about the first ever Bay Area Bus Rapid Transit project in Oakland. Parsons Transportation Group was awarded the design contract for the BRT project and had just submitted their final bid package at the time of the meeting. Rodney is the Project Manager for the AC Transit BRT project, and delivered an informative presentation on the overall BRT system scope, design specifics, and project challenges.

3rd Fall General Meeting (Nov. 2014)

The final ITE meeting of the semester was attended by Matthew Christensen, a Survey Researcher at UC Berkeley’s Transportation Sustainability Research Center. Matthew spoke about concepts and projects involving shared-use mobility, such as bike sharing and electric car sharing programs, and the research necessary to implement successful programs.

1st Spring General Meeting (March 2015)

Kimberly Leung, current president of the SF Bay Area Section of ITE, former member of Cal ITE, and an assistant engineer at the San Francisco Municipal Transportation Agency, came to talk at our general meeting. She shared her work on the Central Subway project under construction in San Francisco. She also talked about student opportunities in ITE.

2nd Spring General Meeting (April 2015) - Planned

Cal ITE is planning to hold two general meetings this semester, fewer than anticipated due to current reorganization efforts.

2) Field Trips/Conferences/Competitions

Western District ITE Student Leadership Summit (Feb. 2015)

This past February, four Cal ITE members attended the Western ITE Student Leadership Summit at Sac State. During this conference, students from five states and sixteen universities had the opportunity to meet and learn from distinguished professionals and leaders in the transportation field, build connections with one another, and compete together in a simulated Complete Streets road design competition. It was a very rewarding experience for those who attended. We especially enjoyed the opportunity to listen to professionals give presentations about innovative developments in the field, as well as the opportunity to participate in a Public Service Announcement simulation involving Complete Streets design. In the future, Cal ITE hopes to attend more conferences such as the upcoming ITE Western Annual Conference in Las Vegas.

Competition

Cal ITE continued to develop the idea for a new transportation competition. A key feature is that it would not require detailed technical knowledge and would be undergraduate-oriented. The
A proposal is to have teams of students improve an existing bus system taking into account things such as coverage, cost, and community needs and feedback. The proposal is currently on hold pending greater membership/interest.

**Field Trip (April 2015) – Planned**

For its semester field trip, Cal ITE is planning to take a tour of the Caltrans District 4 Traffic Management Center in Oakland to learn about how transportation engineers and officials manage traffic in the San Francisco Bay Area.

3) Recruitment Initiatives

**Website**

Cal ITE launched a new website in Fall 2014 to give the chapter a formal online home. The site, cal-ite.weebly.com, contains information about ITE, transportation engineering, Cal ITE events and initiatives, how to become a member or officer, as well as other resources for people with an interest in transportation. Importantly, the website is much easier to edit and update than the previous versions, ensuring that future officers will be able to maintain it.

**Overview of the Year**

The Institute of Transportation Engineers’ San Jose State University Chapter (SJSU ITE). SJSU ITE organized various lunch and learn sessions with professionals from the industry, participated in career...
and club fairs, and also attended San Francisco Bay Area section ITE and South Bay Transportation Officials Association (SBTOA) meetings. The students of SJSU continue to be active and interested in the transportation engineering/planning profession. San Francisco Bay Area ITE section has ensured a pool of dedicated professionals to support the SJSU ITE student chapter activities along with active professional members currently working for City of San Jose Department of Transportation staff.

Professional Meetings

South Bay Transportation Officials Association (SBTOA) Meetings

Some of the student members attended the professional meeting held and took the opportunity to mix with the local transportation professionals whilst learning about relevant projects that impact our lives.

Student Chapter Meeting

Fall Semester Members’ Meeting (September 18, 2014)

SJSU ITE’s officers kicked off the semester by discussing what ITE is and events planned for the future. The meeting was also attended by three ITE professional members: Lily Lim-Tsao and Ken Salvail (San Jose Department of Transportation) and Murali Ramanujam (Santa Clara Valley Transportation Authority). These professional members helped to explain why being involved in an organization, such as ITE, is a crucial step every student should do in order to network, gain experience, and to otherwise better prepare themselves for their careers. The remainder of the meeting was made up of a presentation by James Fok, a current chapter member, and Alvin Lam, the past president of UC Davis ITE, both of whom attended the 2014 Joint Western-Midwestern ITE District Annual Meeting in Rapid City, SD. The two speakers shared their experiences at the meeting and encouraged students to attend similar future events.
Student Chapter Lunch and Learns Sessions

Our Chapter hosts Lunch and Learn sessions, where we invite professionals in the transportation field to come speak about projects their company or their organization is working on or various subjects of interest to the chapter during the lunch hour at SJSU. Since we are a commuter school, this allows for maximum student participation and provides for a more effective outreach to the students. Lunch is provided by reimbursement through the support of the San Francisco Bay Area section. Interested non-ITE student members are also allowed to attend these sessions to better expose them to the transportation field as well as to inform them of chapter activities and how they can be involved. It is a great opportunity for students to interact with industry professionals and learn more about local projects and transportation opportunities.
Lunch and Learn: VTA Bus Rapid Transit Project (October 22, 2014)

VTA representatives came to present on the current status of the first bus rapid transit route VTA is implementing, which would connect downtown San Jose with Eastridge, via a segment of dedicated transit lanes on Alum Rock Avenue. Differences between typical bus service and bus rapid transit service, including faster, more frequent service, use of stations, and off-board ticket purchases, were explained, which translates to a more attractive service to riders. Additionally, the speakers discussed all of the issues the process has encountered, including concerns by business owners who feared losing on-street parking, and cities that did not wish to have future lines run through its boundaries. This first phase of BRT is slated to be completed in the summer of 2015.

Lunch and Learn: BART Silicon Valley Extension (October 29, 2014)

Representatives from BART detailed the current plan to extend the BART system, which currently has a southern terminal at Fremont, down into the South Bay. Phase I calls for the line to be extended down to the Berryessa neighborhood of San Jose, and Phase II will further extend it through downtown San Jose, ending at Santa Clara, and effectively creating a loop of rail transit around San Francisco Bay when linked with the Caltrain system. Phase I is being funded greatly by a local tax measure that passed, whilst funding for Phase II has yet to be acquired. The extension will connect the East Bay and the South Bay, between which no major transit link currently exists. Major projects related to the extension include adjusting roadways and existing railways to accommodate the BART tracks, as well as land acquisition to construct the stations.

Organization Fairs

SJSU College of Engineering Club Day (September 5, 2014)

To help introduce student organizations to new students, San José State University hosted a general organization fair. Each registered organization was given a table and chairs. At the ITE table, flyers (about what ITE is, our first lunch and learns and meeting, and contact information), a form to register for the mailing list, as well as the officers themselves were present to answer questions of any interested attendee.
SJSU Organization Meetings

SJSU ITE works closely with other student organization chapters such as the American Society of Civil Engineers (ASCE) to leverage information about transportation to as many students as possible. Events between organizations are often advertised at the meetings of other organizations, and SJSU ITE was given time to introduce the organization at the first ASCE members’ meeting to promote the organization.

2nd Annual ITE Engineers Western District Student Leadership Summit (February 13-15, 2015)

This student-focused event, hosted this year by Sacramento State University, was well-attended by over a hundred student members from schools throughout the ITE Western District, as well as by many professional members, including John Kennedy, current International ITE president, and Carlos Ortiz, current ITE Western District president. The three-day event had students listen to professional speakers from the transportation industry, practice answering interview questions through “speed interviews,” and perform a mock public service announcement about transforming a downtown street to be more inclusive of different modes of travel. Four students from the SJSU ITE Student chapter attended this summit.

Student Paper Competition Flyer
Institute of Transportation Engineers
SF Bay Area Section
2014 Student Paper Award Contest

Students can choose one of these topics:
1. Data Applications for Decision-Makers
2. Bay Area Bike Share
3. Infill Development

PAPERS DUE FEBRUARY 14, 2014 @ 5:00 PM

ELIGIBILITY
• A student member of ITE during the school year 2013-2014.
• Full-time student enrolled in Engineering/Planning Curriculum.

PAPER FORMAT
• Paper must be original work, not previously written for any other purposes.
• Must be written in the English language.

PAPER SUBMITTAL
• All entries must include your name, address, email, telephone number, college/university, major, number of units currently enrolled, and ITE membership number. If you’re not an ITE student member you can join for free at www.ite.org/membership.
• Submittals must include all supporting materials, if appropriate, and can be electronic (.PDF and WORD format) or hard copy (4 copies). Only one paper per student can be submitted.
• The winning papers will be chosen on or before March 14, 2014. The entries will be judged based on content, clarity, style, and creativity. The Grand Prize Winner MUST attend and present the “Winning Paper” at the April 17, 2014 SF Bay Area Section Meeting.
• All student paper entrants will receive a free lunch at the April 2014 ITE San Francisco Bay Area Section Meeting.

This year, students will have a choice from one of three topics:

Data is becoming ubiquitous and its applications are becoming more important than ever. As policy makers are beginning to rely more on data to inform decisions, what are some of the next-generation applications and visualizations? How will they shape our decisions and communities?

Bike sharing was introduced to the Bay Area in August of 2013. Mainly focused in San Francisco, bike stations are also located along the Peninsula and in San Jose. How has Bay Area Bike Share compared with other rollouts in the US? How should the system expand? What are the challenges with BABS and what are the solutions?

Potential infill sites dot the Bay Area and are becoming more important as land use needs and demands change. Is there a potential infill site near your home, campus, or work that would enhance a neighborhood or benefit from nearby transit options? How would you like to see the site developed?

GRAND PRIZE: $1,500 Scholarship Award

Plus two additional scholarships:
$750 Undergraduate Student Paper Scholarship Award*
$750 Graduate Student Paper Scholarship Award*

*$750 Undergraduate or Graduate Student Paper Scholarship Award may not be awards if not enough undergraduate or graduate students submit papers.

Hard copy entries should be mailed to:
Student Paper 2014
c/o SFMTA – Paul Stanis
One South Van Ness Avenue, 7th Fl.
San Francisco, CA 94103

Electronic entries should be emailed to:

SBTOA Annual Report
Institute of Transportation Engineers

Section Annual Report

For the period January 1, 2014 to December 31, 2014 for

South Bay Transportation Officials Association (SBTOA) Section
of the Institute of Transportation Engineers

Officers:

Current Officers and Committee Chairs (for 2015):

President       Suzanne Luckjiff, Fehr & Peers
Vice President   Aruna Bodduna, AECOM
Treasurer        Sarah Christensen, Mark Thomas and Company
Secretary        Matthew Jue, City of Campbell
Past President   Suzanne Sarro, Sarro Associates

Membership:

SBTOA has no official membership nor dues. SBTOA’s distribution list reaches approximately 540 people. Monthly lunch hour meeting attendance for 2014 is shown below, and typically includes one or two students. The SBTOA LinkedIn group has 190 members.

Was there a change in the Section Bylaws during this reporting period? (If yes, please attach a copy of the new bylaws.)

[ ] Yes       [X] No

Technical Activities:
List Projects underway by title and, if available, provide expected date of completion: None

List Projects by title that were completed during this reporting period and, if available, attach a copy of the report: None

Legislative Activities during this reporting period: None

Meetings held during this reporting period:

January 14, 2014
Location: Bella Mia Restaurant, San Jose
Speaker: Murali Ramanujam, VTA
Topic: “Silicon Valley Express Lanes Update”    Attendance: 60
February 11, 2014
Location: Bella Mia Restaurant, San Jose
Speaker: Debbie Hale, Executive Director for the Transportation Agency for Monterey County
Topic: “Do You Know the Way to Monterey?”
Attendance: 45

March 11, 2014
Location: Bella Mia Restaurant, San Jose
Speaker: John Ristow, Chief Congestion Management Agency Officer, Santa Clara Valley Transportation Authority (VTA)
Topic: “What’s Happening”
Attendance: 46
April 8, 2014
Location: Bella Mia Restaurant, San Jose
Speaker: Andrew Chatham, Principal Software Engineer, Google
Topic: “Google’s Self-Driving Car: What We’ve Done and What We Need”
Attendance: 57

May 22, 2014
Location: Caltrain, San Carlos
Joint ITE/SBTOA meeting
Speaker: Marian Lee, Executive Officer, Caltrain Modernization Program
Topic: “Caltrain Modernization”
Attendance: 57
June 10, 2014
Location: Bella Mia Restaurant, San Jose
Speaker: Chwen Siripocanont, PE, PTOE, Independent Consultant
Topic: “Urbanization and Mobility in China”
Attendance: 45

September 18, 2014
Annual Joint BBQ with APWA and ASCE
Location: Blackberry Farm, Cupertino
No speaker
Attendance: 84
October 14, 2014  Location: Bella Mia Restaurant, San Jose
Speakers: **Rajeev Batra, Director of Public Works, and Dennis Ng, City Traffic Engineer**

**City of Santa Clara**

Topic:  “*Levi’s Stadium-Challenges and Triumphs*”

Attendance: 50

---

November 18, 2014  Location: Flames Eatery, San Jose

Speakers: **Robert Cunningham, Transportation Planner, Santa Clara Valley Transportation Authority (VTA)**

Topic:  “*VTA’s 2014 Transportation Impact Analysis (TIA) Guidelines*”

Attendance: 32
December 9, 2014  
Location: Old Spaghetti Factory, San Jose  
Speakers: Gary Richards, “Mr. Roadshow” columnist, San Jose Mercury News  
Topic: “Informal Conversation with Mercury News Columnist ‘Mr. Roadshow’”  
Attendance: 21

Awards Presented during this reporting period:

- **Award Name:** Recognition of President 2014  
  **Recipient's Name:** Suzanne Sarro  
  **Purpose of Award:** Recognition of service as board member  
  **Form of the Award:** Inscribed, framed photo of 2014 board
