

2008-09 Officers: President Wing Lok, Vice-President Nate Chanchareon, Treasurer Shruti Malik, Secretary Kamala Parks

## ITE ANNUAL BUSINESS MEETING

**Thursday, June 18, 2009**

Join us for our most important meeting of the year and participate in the chapter's annual business meeting. This meeting features two special presentations:

### **"SFMTA—Navigating These Challenging Times"**

**Mr. Nathaniel P. Ford, Sr., Executive Director and CEO, San Francisco Municipal Transportation Agency**

The San Francisco Municipal Transportation Agency is a unique public agency. With an annual budget of almost \$800M and 5,000 employees, it has jurisdiction over all modes of surface transportation in San Francisco, including public transit, pedestrians, automobile traffic, bicycles, freight, and taxis. SFMTA is in a watershed period. While facing the current difficult economic environment, the organization is attempting to improve service in all modes while simultaneously improving its financial stability.

### **"Technological Solutions to Help You Manage Your Transportation Dollars"**

**Mr. Terry Bills, AICP, Transportation Industry Manager, ESRI**

As budgets become more fiscally constrained each year, SFMTA and most other agencies and companies are trying to make the best possible use of every transportation investment. As engineers, planners, and policy-makers, we need to become informed about tools that can help us better manage the public's transportation dollars. One such tool is the integrated technology known as GIS. At this meeting, you'll learn how to harness the power of GIS to make the most strategic transportation investments with limited resources, how to effectively track these expenditures, and how to monitor the performance of our public investment.

### **SCHEDULE**

- 11:15 Check-in & social time
