Meeting Announcement:

## High Speed Rail in California?

Thursday, February 26, 2004

### STUDENTS LISTEN UP - GRADUATE FELLOWSHIPS AVAILABLE

The Nation Highway Institute recently announced the availability of graduate fellowships in transportation safety. Grants up to \$10,000 in tuition and fees plus a \$1,700 month stipend are available. See <http://nhi.fhwa.dot.gov> for more information.

### TRAINING FOR TRANSPORTATION PROFESSIONALS

The Institute of Transportation Studies program at UC Berkeley is offering several classes, including programs on traffic engineering and access management. See [www.its.berkeley.edu/techtransfer/](http://www.its.berkeley.edu/techtransfer/) for additional information.
