

2006 ITE Student Paper Award Contest

Congestion Pricing in the San Francisco Bay Area—Should it be done?

Paper must provide a critical discussion of congestion pricing and pricing strategies (Bridge Tolls, HOT Lanes, Parking Management, Transit Fares, etc.) as applied to the Bay Area.

Eligibility:

- A student member of ITE during the school year 2005-2006
- Full-time student enrolled in accredited Engineering/Planning Curriculum
- Must be the only author

Paper Format:

- Paper must be original work, not previously written for any other purposes.
- Must be written in English language
- Must be between 1000-2000 words, double-spaced, typed pages, including all text, tables, graphics and appendices

Paper Submittal:

- All entries must include your name, address, e-mail telephone number, college/university, major, number of units currently enrolled and ITE Membership Form (only if you're not a student member).
- Submittals must include all supporting materials, if appropriate, and can be electronic (.PDF) or hard copy (4 copies).
- The winning papers will be chosen on or before April 7, 2006. The entries will be judged based on content, clarity, style and creativity. Winners must attend and present the "Winning Paper" at one of the following ITE Student Lunches: April 11th, 2006 @ SBTOA in San Jose or April 20th, 2006 @ ITE San Francisco Bay Area Section.

GRAND PRIZE:

All expense paid trip to the ITE District 6 Annual Meeting in Honolulu, Hawaii.

June 25-28th, 2006.

(Maximum of six students will be chosen).

Winners will be required to attend ALL student sessions/events and volunteer at the Annual Meeting. Grand Prize includes airfare, 4-nights shared hotel accommodations, stipend for additional travel expenditures in Hawaii and student registration.
